Monthly Full Moon Meaning

Brothers, continuing the series of full moon names. The April moon is referred to as the Pink Moon, which is not a reference to the moon's color. The reference is the moon coincides with the blooming of the pick moss pink flower or creeping phlox. The plant is native to eastern North America.

The April moon also has other names, such as Sprouting Grass Moon, Egg Moon and Fish Moon by other Native American tribes and reflects the signs of spring.

Culturally this moon corresponds with the Passover Moon in Judaism and Hanuman Jayanti festival of the Hindu lunisolar calendar.
